UPDATE TO ALL FAMILY AND FRIENDS

Hello,

Outbreak Status

We are currently in a facility wide COVID outbreak with positive cases on Donegal, Galway, Kerry, Kilkenny, Waterford and Wexford. Masking is now mandatory for everyone on the home areas. Large group activities are cancelled. Mass will continue with residents seated by home area and encouraged to mask. Residents are encouraged to watch Mass via our internal broadcasting on channel 49 instead of attending in-person. Please wash your hands frequently with alcohol based hand sanitizer or soap and water. Monitor yourself for symptoms daily and if you are not feeling well, do not come to visit at St. Pat's.

Family Quality of Life Survey

We previously invited each Power of Attorney for Care to participate in our new interRAI Family Quality of Life Survey, which aims to gather valuable feedback on your loved one's experience at St. Patrick's Home. Just a reminder that we have extended the deadline to November 17th. If you haven't received the survey link or would prefer a paper copy, please email Korry at korrymacleod@stpats.ca, and we will ensure you receive it.

Be well and stay safe,

Monique Patterson
