## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello,

### **Outbreak Status**

We are currently in COVID outbreak on Cavan. Please remember to follow the Infection Prevention and Control practices. This includes frequent hand hygiene and following PPE guidelines. All visitors to Cavan are strongly recommended to **wear a mask** at all times. Visitors experiencing any symptoms of illness **should not visit** St. Patrick's.

### **Family and Friends Survey**

Thank you to everyone who participated in the 2024 Family Quality of Life Survey. We received 62 responses, resulting in a response rate of 22%. Unfortunately, due to the low response rate, at this time we would be unable to share meaningful or representative Family Quality of Life data for this year.

To achieve this, we need a response rate of at least 60%. To help reach this goal, we are extending the survey deadline to **December 31, 2024**. If you haven't had the opportunity to complete the survey, we encourage you to do so. You can request a survey link, email copy, or paper copy by contacting [korrymacleod@stpats.ca](mailto:korrymacleod@stpats.ca).

### **Next Week's Update**

As next Wednesday is Christmas Day, we will be sending out the family update on Tuesday December 24<sup>th</sup>. Over the holiday period, we will keep you updated on changes to the outbreak status and any other significant information as required.

### **Holiday Greetings**

Wishing all of our staff, residents, volunteers, family members and friends a very Festive Holiday Season. Please see our Holiday Greeting to all below.

Be well and stay safe,  
**Monique Patterson,**
