UPDATE TO ALL FAMILY AND FRIENDS

Hello,

Outbreak Status

We are currently in COVID outbreak on Cavan. Please remember to follow the Infection Prevention and Control practices. This includes frequent hand hygiene and following PPE guidelines. All visitors to Cavan are strongly recommended to **wear a mask** at all times. Visitors experiencing any symptoms of illness **should not visit** St. Patrick's.

Resident Mail

Just a reminder that we have recently reviewed our process for handling resident mail. All mail received in a resident's name will now be delivered directly to that resident's room, unless we have been informed otherwise. The best option for important mail, such as banking, CRA, bills etc., is to have the mailing address changed to the resident's POA for Finance or whomever is responsible to manage the resident's affairs. If you wish to have resident mail opened by our Finance Office staff, please inform reception.

Happy Holidays

Be well and stay safe,
Monique Patterson,
President and CEO
