UPDATE TO ALL FAMILY AND FRIENDS

Hello,

Outbreak Status

We are happy to report that we are outbreak free!

Complimentary Hair Services in February and March

We will be offering free hairdressing to all residents for the remainder of February and for March. To book an appointment at the hair salon, please contact Martin at stpatsbeautysalon@stpats.ca or call or text him directly at 613-277-0642. We hope to accommodate as many residents as possible, so, make your appointment soon, slots are filling up.

Please note: The Beauty Salon @stpats email was not accepting external emails, but this issue has now been resolved. If you had emailed Martin in the past couple of weeks with no response, please resend your email. Our apologies for this inconvenience.

These complimentary services are a result of a small amount of temporary supplemental funding received by the Home, which is designated for some form of resident services.

We are pleased to announce the launch of our Infection Prevention and Control (IPAC) online training modules, with a set of modules specifically geared towards our visitors. The education is now on the McGill website and you will need to enroll using your personal email address prior to starting. The link to the education is below:
