UPDATE TO ALL FAMILY AND FRIENDS

Hello,

Outbreak Status

We are currently outbreak free!

Lost/Unlabeled Clothing

A cart of unlabeled clothing is placed in the hallway by the elevators on the last Friday of each month. Families and residents are encouraged to check the rack if they are missing items. The cart stays for Friday, Saturday and Sunday. If you miss this opportunity, you can ask the Nutritional Supervisor to check the rack anytime or email laundryissues@stpats.ca

REMINDER: In Case of Emergency

Residents and visitors can use the call bell located in each room's bathroom to alert staff to an emergency situation. Emergency call buttons are also located in the common areas, on the balconies, secure garden and the front verandah.

A Message from St. Pat's Foundation

Please see flyer below regarding an upcoming Foundation event to support the care of the residents of St. Pat's.

Best Regards,
Monique Patterson,
President and CEO

ST. PAT'S KITCHEN PARTY

- a Christmas Ceili -

If you have client development, staff appreciation or the holiday season on your mind, then it's time to add ST. PAT'S KITCHEN PARTY to your calendar!

Now in its 6th year, this authentic Irish Christmas Ceili is '*a good craic*' (: *a fun time*), and the perfect way to kick off a new season of giving and social gatherings.

And so, on November 25th, we hope you will join us again to celebrate St. Patrick's Home and the holidays with **seasonal cocktails, lively Celtic and joyous Christmas tunes, a Christmas buffet that people will talk about for days!, and holiday shopping** at the silent auction tables.

We pride ourselves on providing you with **unparalleled appreciation, recognition and benefits** - before, during and after the Kitchen Party. And as you know, we love to collaborate to ensure your experience is exceptional and meets your specific goals.

If you'd like to chat about how you'd like to be involved this year, or confirm your participation and help us raise \$425,000 for St. Pat's before December 31st, please call or drop me a line. Thank you!

St. Patrick's Home of Ottawa Foundation is dedicated to working with St. Pat's and the community to **support quality person-directed care**, purposeful engagement in meaningful programs, and a higher quality of life for our 288 residents.
