We are currently outbreak free!

Resident Tax Returns

Welch LLP is once again offering complimentary tax filing for the 2025 tax year for residents that are **under the income threshold** and provide all the required tax documents.

If you would like St Pat's to assist in completing the resident's tax return, please ensure that all T4 slips and required tax documents are submitted to the Finance Office on or before **Friday, March 27th**.

Please note that the Home is only able to assist the residents whose annual income was under \$45,000 in 2025. If the resident meets this requirement and you wish for us to handle the filing, kindly provide the necessary documents by Friday, March 27th.

We appreciate your cooperation and are here to support you through this process. Should you have any questions, please feel free to contact the Finance Office at FinanceOffice@stpats.ca

New Hires

We are actively recruiting staff for various roles and to fill vacant positions. We hold a new hire orientation session at least once a month to be able to onboard new staff in a timely manner. In February, we welcomed the following new hires to the St. Pat's team:

- Personal Support Worker: 1
- Dietary Aides: 5
- Housekeeping Aide: 1

These new staff members received two full days of orientation, most of which consisted of in-classroom learning. Their training will also consist of them completing several "buddy" shifts with senior staff of their departments.

Sale of Shamrock Pins

The Ladies Auxiliary of St. Patrick's Home was established in 1866, when The Grey Sisters of the Cross were approached to provide care for ten children and four elderly persons in a rented house on Church Street. The Auxiliary's membership were dedicated, community-minded women who undertook countless initiatives to support the growing needs and expansion of St. Patrick's Home.

One such initiative was the **sale of shamrock pins** to the parishioners at St. Patrick's Basilica in the weeks before St. Patrick's Day. However, in 2011 the dissolution of the Auxiliary due to an aging and shrinking membership base, spelled the end of this annual campaign. Then in 2017, the Knights of Columbus Chapter 12158 resolved to resume the shamrock campaign under the leadership of Mike Ferrigan and Mike O'Neil. In short order they built and painted dozens of donation boxes, filled them with handcrafted pins, and set out to distribute them to parishes, pubs, and other establishments across the City of Ottawa.

Over the years, their effort, combined with the generous involvement of each parish and business has resulted in **\$43,000 being raised for priority needs at St. Pat's.**

You can get a Shamrock Pin from March 2nd to 20th at reception. Donations are cash only and pay what you can. Should you have any questions please reach out to ginanelson@stpats.ca
