UPDATE TO ALL FAMILY AND FRIENDS

Hello,

Outbreak Status

We are currently outbreak free!

Reminder: Registration of License Plates

If your loved one has been at St. Patrick's Home for more than five years, we kindly ask that you update your license plate information with us. When parking permits were originally set up, they were issued with a five-year expiry. Since we have begun enforcing parking registrations, we have identified cases where families were ticketed despite being previously registered due to expired information. Please provide your current license plate details to Reception in person or via email Reception@stpats.ca and they will forward the information to Robert Kluge for updating. If you do receive a ticket for this reason, please bring it to Robert Kluge or Paul Harris and we will have it cancelled. Thank you for your cooperation.
