National Volunteer Week

Annual National Volunteer Week is occurring from April 19th to the 25th. Each day when our volunteers come in on their day and time, we will come together to celebrate them on their home areas with staff, residents and families and having the residents present them with a “thank you gift.” Please touch base with the Recreation staff to see when to come together each day to celebrate them and to say “Thank You”

This year’s theme from the National Volunteer Organization is, IGNITE VOLUNTEERISM. At its core, Ignite Volunteerism means inspiring Canadians to reconnect with their communities through acts of service, civic action, and mutual support. The campaign responds to a decline in formal volunteering by inviting people from all backgrounds to “Find Your Thing” - discovering personal ways to contribute, whether through local events, grassroots initiatives, or ongoing volunteer commitments.

The Ignite Volunteerism campaign will serve as a celebration of Canada’s volunteers while inspiring a new generation of participation - creating a stronger, more resilient, and inclusive Canada for everyone.

Kind Regards,
Monique Patterson,
President and CEO
