## **UPDATE TO ALL FAMILY AND FRIENDS**

Hello,

### **Outbreak Status**

We are currently outbreak free!

### **Emergency Call Bells**

Residents and visitors can use the call bell located in each room's bathroom to alert staff to an emergency situation. Emergency call buttons are also located in the common areas, on the balconies, secure garden and the front verandah.

### **New Hires**

We are actively recruiting staff for various roles and to fill vacant positions. We hold new hire orientation sessions regularly to be able to onboard new staff in a timely manner. In April, we welcomed the following new hires to the St. Pat's team:

- 3 Housekeeping Aides
- 1 Chaplain

These new staff members received two full days of orientation, most of which consisted of in-classroom learning. Their training will also consist of them completing several "buddy" shifts with senior staff of their departments.

Kind Regards,
